FOR IMMEDIATE RELEASE

CommTech Announces Promotion of William Dudley to Vice President and General Manager

Dudley Takes the Helm at Managed IT Services Company

(Denver, CO) January 30, 2024 – [CommTech](#), a [New Charter Technologies](#) company, is pleased to announce the promotion of William Dudley to the position of vice president and general manager. Formerly serving as the director of operations, Dudley has demonstrated exceptional leadership and operational expertise during his tenure with the company.

In his new role, Dudley will play a pivotal role in driving strategic initiatives, overseeing day-to-day operations, and contributing to the continued success and growth of CommTech. His proven track record, dedication, and innovative approach make him well-suited for this key leadership position.

"We are thrilled to elevate William Dudley to the role of vice president and general manager," expressed Darryl d'Aquin, president of CommTech. "His invaluable contributions as the director of operations have set a high standard, and we are confident that he will excel in guiding CommTech and New Charter to new heights in his expanded role."

Dudley's promotion reflects CommTech's commitment to recognizing and fostering talent within the organization. The company looks forward to continued success under his leadership.

"I am honored and thrilled to take on this new role at CommTech," said Dudley. "This promotion is not just a personal achievement, but a testament to the collaborative spirit and dedication of the entire CommTech team. I am excited to lead our talented professionals, drive innovation, and contribute to the continued success of our dynamic company. Together, we will navigate new opportunities and challenges, ensuring CommTech remains at the forefront of the industry. I am grateful for the trust placed in me and look forward to shaping a prosperous future for our organization."

With his exceptional leadership and operational expertise, Dudley has demonstrated his ability to contribute to the continued success and growth of CommTech. His proven track record, dedication, and innovative approach make him well-suited for this key leadership position. CommTech, and New Charter, are thrilled to have him take the helm and guide the company to new heights in his expanded role.

About CommTech

CommTech has a 30-year history of providing best-in-class IT services to businesses of all types and sizes. We are proud to be one of the Gulf South's most trusted names in Managed IT

services, cybersecurity, networking and telecommunications technologies. Our success is built on providing our clients with fast, simple, and effective solutions to their mission-critical IT needs.

We specialize in providing managed IT services through our Complete IT program. Complete IT offers clients a team of professionals, who are skilled in managing both your routine day-to-day operations and maintenance as well as your more complicated, enterprise level projects. Our dedicated team strives to provide rapid, accurate responses to technical support incidents and turn-key networking and telecommunications solutions.

CommTech also provides other IT solutions such as advanced cybersecurity, disaster recovery/business continuity, server & PC support, network audits/assessments, cloud-based email, file sharing, replication, and backup. A local company with international reach, CommTech has been the IT and telecommunications firm for many of the most well-known names in the region.

About New Charter Technologies
